

Please don't lessen Indiana's Telephone Privacy law protections. I used to get sometimes as many as 5 sales calls a day. Now I don't get any. I homeschool my 5 girls, and life can be very busy. I found I was getting really frustrated when I would get sales calls that interfered with schooling my children. Now I can know that when I answer the phone that someone actually needs to talk to me instead of trying to sell me something. Thanking you for taking my comment!
